If there are fewer than 5 High Masters entered, they must fire for open awards only. The High Master Class may not be combined with the Master Class. If there are fewer than the required number of entries in a class to provide awards, they will be combined with the same class in another category. If there are still fewer than 5 entries after combining all categories of a class, there will be **no awards** provided in that class, and all competitors in the lower class will be moved back to their respective category within the next higher class until there is a minimum of 5 competitors in the combined class.
