These matches honor “those who served” and carried these rifles while on military duty. These matches also strive to preserve the traditions of military marksmanship. The intent and spirit of CMP As-Issued Military Rifle Match rules is to provide modern target rifle competitions for competitors who use affordable, readily available, as-issued military rifles of U. S. or foreign manufacture. Any rifle configuration or item of equipment that is not mentioned in these rules or that is contrary to the intent and spirit of these rules is prohibited.

Awards: Annex G Achievement Awards- will apply to Awards. Awards will be sent to winners after the match. The club must purchase these, and will order them after the match. The cost is included in the fee.

To provide competitors with incentives to participate and improve, the CMP provides Achievement Medals or Pins to be presented to competitors in CMP Games events who equal or exceed established Achievement Award scores. Achievement Award cut-scores are determined on the basis of previous National CMP Games Matches scores. Gold, silver and bronze achievement awards are presented to approximately the top 40 percent of all competitors. Achievement Award scores are calculated so that approximately the top one-sixth of the top 40 percent of all shooters receive gold awards, the next twosixths receive silver awards and the remaining three-sixths receive bronze awards.
