Wow, a lot of excellent scores with a near photo finish between Chuck and Mike! Al had the high prone score for the "sling shooters" and Chuck had the high score by six X's. Good shooting guys!																	
Thanks to everyone who showed up for our final prone match of the 2017 season. Special thanks to Brian for providing a wonderful lunch of mini burgers and bratz with all the fixins!																	
Next prone match is scheduled for mid-May 2018.																	
The Dakota SB Rifle League starts in early December. Until then, good shooting!
